Alex,

I tried to reach you today – I am out of the office tomorrow, so if you are still here (I am here until 6pm today), I would appreciate a call back from either you or Ken. This testing protocol is unacceptable, and we discussed the need for you to construct an enclosure to properly test for VOC emissions in a phone call on June 22, 2021, notwithstanding that we sent the Testing CAA Section 114 request on March 22, 2021.

Thanks,
Amanda

Hi Alex,

Can you provide some more details – to whom was it sent, and when? Was it sent via hard copy? If there is an electronic version you can send me, that would be helpful. We are still working 100% remotely so unless we are looking for a specific item, it may be in the mail room.

Thanks,
Amanda
